

Abbotts Falls Walking Track

3 hrs

Hard track

7.3 km Circuit

329m

4

This circuit takes you through both dry and moist forest, using a combination of walking trails and wider tracks. The side trip to the dammed pool is recommended, to see the deep Aboriginal carved grooves by the pool. This walk travels through open forest with wild flowers (in season) to descend into a moist rainforest environment near Abbotts Falls. This is great place to cool off on a hot summer's day.

Olney State Forest

The Pines Camping Area

The Pines Camping Area is large and popular, and positioned under large pine trees which provide excellent shade. These trees are remnants from trial plantings of different pine species, established in the 1920s and 1930s. The campsite has pit toilets, picnic tables, fireplaces and water (treat water before use - water maybe unavailable). There is access to the creek for cooling off in the summer. [More info.](#)

Dammed Pool on the Pines Walking track

The dammed pool by Dora Creek (on the Pine walking track) is surrounded by lovely moist eucalypt forest and has an attractive dammed pool. Then is also evidence of axe-sharpening rubbing grooves on damp rock shelves from historical aboriginal use. The dammed pool is on the Pines loop walk, which can be begun from either the Pines campsite or the Pines picnic area. [More info.](#)

Pines picnic area

This large picnic area is often used by groups participating in Forests NSW's school and community programs. The area provides plenty of tree cover, as well as a number of picnic benches and tables. There is a large shelter built and reserved for the Forests NSW's programs, but is available for use at any other time. The area is surrounded by native plants and animals.

Abbotts Falls

Abbotts Falls in the Olney State Forest are located in a secluded valley on Dora Creek. Thick rainforest lines Dora Creek and these falls are a great place to visit on a hot, dry day in summer. The falls can be found along the Abbotts Falls walking track. Please note that the falls are unfenced and care should be taken.

Casuarina Campsite

The Casuarina Campsite is a small and secluded site, set amongst forest oaks and a variety of eucalypts. The Casuarina Camping Area can accommodate caravans and trailers as well as individual campsites. There are fireplaces, toilets, picnic tables and water (treat water before use - water maybe unavailable).

Old Mill picnic area

The Old Mill picnic area is set alongside Watagan Forest Road and is a great place for family sport, with a wide and flat grassed area surrounded by forest. Please note that this site is for day use only, with no camping allowed. The site has picnic tables and fireplaces.

Before You walk

Bushwalking is fun and a wonderful way to enjoy our natural places. Sometimes things go bad, with a bit of planning you can increase your chance of having an enjoyable and safer walk. Before setting off on your walk check

- 1) Weather Forecast ([BOM Hunter District](#))
- 2) Fire Dangers ([Greater Hunter](#))
- 3) Park Alerts ([Jilliby State Conservation Area](#))
- 4) Research the walk to check your party has the skills, fitness and equipment required
- 5) Agree to stay as a group and not leave anyone to walk solo

Think before you TREK

The 'Think before you TREK' program developed by NSW Police & NPWS promotes the benefits of planning ahead for your bushwalking trip by using an easy to remember acronym:

- T** Take adequate supplies of food, water, navigation and first aid equipment.
- R** Register your planned route and tell friends and family when you expect to return.
- E** Emergency beacon (PLB's) should be carried on walks with significant gaps in mobile coverage (check terrain profile).
- K** Keep to your planned route and follow the map and walking trails.
